UNIVERSITY OF MYSORE.

Circular No. 3261, *dated 8th August* 1932.

Enquiries are being made by candidates not successful at University Examinations regarding the exemption from further attendance at classes before appearing again.

Attention is invited to Ordinance 60—A (extracted below) according to which a student who has completed the course for any examination in a certain year can appear for the examination without further attendence, only within the next three years. After the expiry of this period, further attendance at the final year class is necessary and such attendance should be supported by the requisite certificate under Ordinance 60 (also extracted).

It is to be noted that part-time attendance in the Senior Class during the whole or any fraction of the above three-year period cannot be recognised as attendance within the meaning of the Ordinance. Attendance as a whole-time student of either the regular classes or special classes (that may be organised for failed students) in all subjects will be recognised as sufficient for the purposes of the Ordinance, if supported by the term certificate required by the rules.

By Order,
V. GOPALASWAMI AIENGAR
Registrar.

Ordinance 60—*A*.

A student who has attended the course of studies for any examination for one full year may be permitted a break in continuity for a period not exceeding one year. A student who has completed the course of studies for any examination may be permitted to appear for the examination within a period not exceeding three years after the completion of the course. After the expiry of such period of three years he shall be required to attend again the final year of the course before he is permitted to appear for the examination.

This rule shall apply to the Intermediate, B.A. (Pass and Hons.) and B.Sc. (Pass and Hons.) Examinations.

Ordinance 60.

In the case of all Degree Courses, each year shall be taken as a unit for purposes of calculating attendance, and a student shall be considered to have completed the attendance for the year, if he has attended not less than three-fourths of the number of working periods in each of the subjects comprised in the course and his progress and conduct have been satisfactory. The Council shall have power to condone shortage of attendance on the recommendation of the Heads of Colleges.

Applications far condonation of shortage of attendence shall be made to the Registrar in the month of February each year.
